Re: John and Henry Voortman v. Department of Environ-
mental Resources/Docket No. 80-122-W

Dear Mr. Mazullo:

Please be advised that I filed an appeal on July 24th, 1980 in the above matter. On August 26th, 1980 I also filed a Pre-Hearing Memorandum submitted on behalf of John and Henry Voortman. At that point in time, I was advised by the Department of Environmental Resources that moneys would be forthcoming and that this matter was going to be settled by using those funds to clean the Voortman property.

It was also my understanding that tests were conducted on the Voortmans' property and that the Voortmans were not in violation of the Clean Streams Act or any other Act in the Commonwealth of Pennsylvania. I have not received any copies of these tests but the results appeared in our local paper. I have never received a Pre-Hearing Memorandum from the Department of Environmental Resources and I am not exactly sure of their allegations. I had presumed that the Department of Environmental Resources was not going to pursue this matter and I have heard nothing different.

I am, on behalf of the Voortmans, prepared to do whatever the Board desires, however, again, it was my understanding that the Voortmans property was going to be cleaned up with funds, either provided by the State or the Federal Government, and that this matter was not going to be pur-
